

EVERYTHING HAPPENS TO ME

is the new CD by legendary vocalist **Hans Stamer**

Ever since he first heard Louis Armstrong in a Hamburg music hall in 1955 - at the age of 17, Hans dreamt of recording an album celebrating the music of the 1930s and 1940s. *"Everything Happens To Me"* is the realization of that dream, containing 13 classic tracks made famous by Louis Armstrong, Billie Holiday, Ray Charles and others.

Featuring some of Canada's finest instrumentalists, the album sizzles with great performances and outstanding vocals.

Discography:
